

SUN

A film by Jonathan Desoindre
In collaboration with Ella Kowalska

104mns – 2.35 – 5.1 – France

Synopsis

Sun is a 30-year-old delivery man who lives a frantic life in modern Paris. This precarious but happy balance will be put in jeopardy when his Indian cousin arrives in France to pursue his dream: playing sitar at the Olympia.

Biography

Jonathan Desoindre, graduated of philosophy at Sorbonne, was initially an independent journalist before joining Fémis in 2009. Ella Kowalska holds a Master's degree in History of Heritage at Sorbonne, and a Master's degree in Law at Paris Sud University. Both have been working together for over 10 years now. Before directing Sun, they have directed many short films together.
